

# Music Trail

Go to level: -1

Exploring the Past Gallery (1)

**Find this musical instrument**

It has been made in the shape of a...

---

**Find this horn in the case on the left**

What material do you think it is made of?

---

Stay on level: -1

Conservation Gallery (4)

**Find these little musicians**

Move your hand in front of the sensor.  
Which parts do you think have been mended?

---

---

Go up to the ground floor  
European Prehistory Gallery (17)

## Find this musical instrument

Did you know?

Although this is called an Irish horn or trumpet, it was played and sounded like a didgeridoo!

Try making the noise you think this instrument makes.

Go up to Level 1  
India From AD 600 (32)

## Find the large stone figure of Dancing Ganesha

What animal does he remind you of?

---

Retrace your steps and go up the stairway to Level 2  
Music and Tapestry Gallery (39)

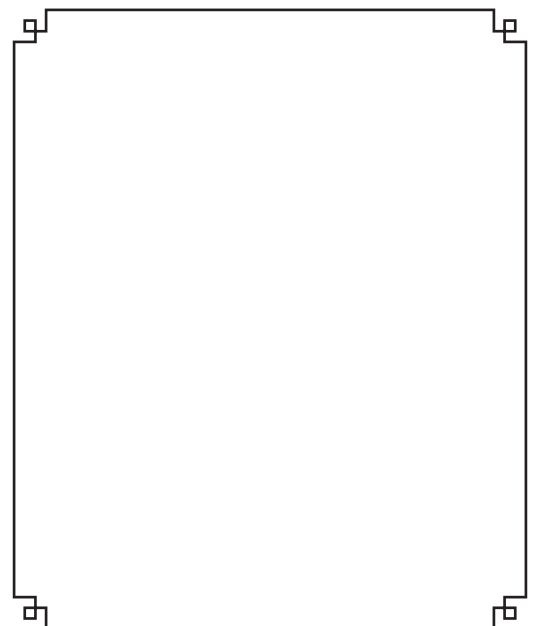

## Find the tapestry on the wall with people playing music.

The man is playing an instrument called a bass viol.  
Can you spot a real bass viol in this gallery?  
Draw your favourite musical instrument in this box.
